

Invitation
WHX Labs 2026

08.07. – 10.07.2026
Queen Sirikit National Convention
Center (QSNCC), Bangkok

www.pfmmedical.com

We are delighted to invite you to our booth during the WHX Labs in Bangkok, from July 8-10, 2026.

Join us to explore our products in the fields of histology and laboratory supplies – such as our various rotary microtomes. We also look forward to introducing you to our **pfm medical® microtome blade Universal**, which we developed in association with the Japanese company FEATHER®.

Products**pfm Rotary 3005 E:**

- ▶ Semi-electronic rotary microtome for all applications

**pfm Rotary 3006 EM:**

- ▶ Fully electronic rotary microtome for all applications

**Connect with Our Experts**

Discover how our solutions can support your clinical work. Meet with our team in person to discuss your specific needs and see our products firsthand.

We look forward to welcoming you in Bangkok!
